## SMART

Portable aerosol therapy system

Wireless

Rechargeable like a  
smartphone

Compleat accessories  
kit

Battery level  
indicator

Medel **SMART** is an ultra-compact aerosol therapy system with micro-compressor, easy to operate and quiet. The device easily fits the palm of your hand, weighs only 200 g and is very easy to carry, particularly suitable for travelling. Medel Smart is wireless, battery operated, and can be recharged comfortably like a mobile phone, thanks to the power supply adapter with micro USB cable included in the package. MEDEL Smart comes with a complete set of accessories and a practical bag that allows you to store the device and the accessories after use.

### CHARGING VIA USB

### CHECK THE BATTERY LEVEL

### USE IT EVERYWHERE
